

What does the grass say?

// // \\\\\\\ // // \\\\ ^\
do you remember when you slept under
// \\\\ \\\\
our green hush?

///^\\ // ///// // \\ W
sometimes we mistake hunger for song
///^\\ // /////^\\ ^\\ // ^\
sometimes our whispering tastes of rain

\\ \// // // ^// // // \\ ////
the sun is our moon and we are loyal
// \\ ^\\ // \\ // // // // \\ // // //
as the tides we ebb and flow we ebb and flow

//// // \// \\ // \\\\\\\
there is joy in our greening

^\\ // \\\\
will you listen?
